Well, this one does! Join us at Queen Charlotte Lodge this summer for a high season fishing derby. All proceeds go to supporting the Abilitas Foundation's Cold Water Ranch Lodge which at no cost offers respite and outdoor access to BC children & adults with disabilities and their families.

Also, participants will have a unique opportunity to fish with a BC fishing legend. Gary Cooper from Nice-Fish Television will be shooting an episode on site and you can bid for a chance to fish with Gary!
